  - **Short Conversations** ask students to infer tone, attitude, or the context of the speakers' conversation.
  - **Critical Thinking** questions develop students' thinking skills.
  - **Language Focus** activities draw on a grammatical structure from the listening and help students develop accuracy in speaking and writing.
  - **Pronunciation and Conversation** activities help guide students to more accurate and conversational speech.
  - **Internet** activities build students' Internet research skills.
  - **Self-Tests** help students and teachers assess progress.
-

**Functional 1:** 7.5 hours of class per week

Level: Lower Beginning

Days: Mondays, Tuesdays, Wednesdays, Thursdays Fridays

Time: 10:30 am to 12:00 pm

Cost: \$480 every four weeks / Textbooks & audio: \$85

This is a complete program which addresses all the areas of English learning: vocabulary, reading, writing, listening, speaking, numeracy, and life skills. Functional life skills are taught, focusing on the regular communicative tasks which occur every day within an American city. This textbook for this class includes a CD-ROM and CD which allow students to practice at home.

Useful conversations for life in an American city are taught through the use of videos and teacher interaction. Punctuation, grammar, and new vocabulary are introduced and practiced in each chapter. Short writing assignments are also included.
